

(constituent part)

**Agreement on liability for loss of entrusted items  
(price of the entrusted items over CZK 50 000)  
according to Sections 255 – 256 of the Labour  
Code**

**University of South Bohemia in České Budějovice**, Branišovská 31a, 370 05 České Budějovice

ID No: 600 76 658

Represented by (employer, hereinafter as USB):

and

**Mr./Ms:** permanent residence: in an  
employment relationship / APW / ACJ since (hereinafter as  
employee):

enter into the following agreement regarding liability for the loss of entrusted items with effect from .....

**I.**

For the purpose of performing the agreed work, the following items have been entrusted to the employee on

.....:

Unique identification of the item (name, type, serial number, purchase price, year of purchase, or other information necessary for identification)

---

.....

.....

.....

**II.**

The employee has been made aware that in the event of loss and damage, the cost at the time of damage or loss is the basis for compensation, and the employee is obliged to pay the cost in full. He/she shall be exonerated from liability in whole or in part if he/she proves that the loss was wholly or partly without his/her fault.

**III.**

The employer has created conditions for the employee to ensure the protection of entrusted items against loss; access to entrusted items is permitted only to the responsible employee.

**IV.**

The employee declares that he/she is aware of the regulations relating to the assumption of liability and that he/she will do everything possible to prevent the loss of the items entrusted to him/her.

**V.**

The agreement expires on

- the date of termination of employment,
- the date on which the entrusted items are returned,
- the date on which the employee's written resignation from this agreement is delivered to USB, unless a later date is specified in the resignation.

**VI.**

The agreement shall be drawn up in two copies, one of which shall be given to the employee and one to USB.
