

## COLLECTION OF DECISIONS AND ORDINANCES OF THE UNIVERSITY OF SOUTH BOHEMIA IN ČESKÉ BUDĚJOVICE

Number: R 570

Date: 6 December 2024

---

**Rector's ordinance  
on the scientific, research and educational cloud of the University of South Bohemia in České Budějovice**

### **Article 1 Introductory provisions**

This ordinance establishes a scientific, research and education cloud (hereinafter referred to as the 'SRE cloud') for the purposes of the University of South Bohemia in České Budějovice (hereinafter referred to as the 'USB') and determines the rules of its operation. The aim of the establishment of the USB SRE cloud is to ensure the efficient and secure use of computing devices at USB.

### **Article 2 Rules of operation**

1. The SRE cloud includes computing devices (servers) that can be acquired by any USB constituent part.
2. The SRE cloud is managed by the USB Centre of Information Technology (hereinafter referred to as 'CIT') and its operation is financed by the USB Rectorate.
3. Each USB constituent part that acquires computing equipment (server) for scientific, research or educational purposes is required to develop, maintain and use the USB SRE cloud as a priority. In the event that it is necessary to acquire equipment that cannot be included in the SRE cloud, the USB constituent part is required to provide written justification to the CIT Director through the faculty secretary or Director of the USB constituent part.
4. The operation of the SRE Cloud is governed by the SRE Cloud Operating Rules, which are published at <https://wiki.jcu.cz/VVCloud> and are binding for all SRE Cloud users.

### **Article 3 Final provisions**

1. This ordinance enters into force and takes effect on the date of its publication on the public section of the USB website.
